

Dear President Gemma,

On behalf of the Korean Association for Lung Cancer (KALC), I would like to express my deepest appreciation for your continuous support to the 2021 KALC-IC, to be held on Nov. 25-26 in Seoul, Korea.

As mentioned earlier, the 2021 KALC-IC (Nov. 25-26) and the JLCS annual meeting (Nov. 26-28) will overlap on one day. Fortunately, however, the Korea-Japan Symposium scheduled for Nov. 25 does not overlap, and we have made an option for one-day registration for the conference. Additionally, we will keep the abstract submission page open until Oct. 9 for late-breaking or encore abstracts.

Please kindly encourage your JLCS members to participate in the 2021 KALC-IC (promotional file attached).

I hope that this conference will offer a great opportunity for both societies to work more closely and evolve together.
If you need any assistance from our side, please do not hesitate to contact us.

Thank you in advance for your support and hope to meet you in person soon.

Sincerely yours,

Young Chul Kim

Chairman

Korean Association for Lung Cancer

Secretariat of 2021 Korean Association for Lung Cancer International Conference

Program Coordinator: Sue Jung HWANG (Ms.)
